Subject: Rise Broadband Towers

Dear BJ and Maria,
In 2013 Rise Broadband built, with no permits or approvals, telecommunications towers at Red Hill (39°9'46.2"N, 105°56'10.6"W) and Beaver Ridge (39°15'51.7"N, 106°1'47.2"W). I am trying to get them retroactively legalized. Are you aware of any problems with your communications that could be attributable to these towers?

Thanks, John
