**PARK COUNTY, COLORADO
BOARD OF COUNTY COMMISSIONERS
Resolution No. 2015 11**

**A RESOLUTION MAKING FINDINGS OF FACT, CONCLUSIONS
AND ENTERING AN ORDER DENYING THE APPLICATION OF
PUFFIN FINE HERBS LLC FOR A RETAIL MARIJUANA
CULTIVATION FACILITY LICENSE.**

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF
THE COUNTY OF PARK THAT the following findings of fact, conclusions and order
are hereby adopted.

FINDINGS OF FACT, CONCLUSIONS AND ORDER

FINDINGS

1. This matter comes on for hearing upon the application of Puffin Fine Herbs LLC ("Applicant" or "Licensee") for a Park County retail marijuana cultivation facility license at the subject site.
2. The application is complete and contains all the information required by Park County Ordinance No. 2013-1. The Board further finds that the Applicant, its officers and shareholders are of good moral character.
3. Notice of a public hearing on the application was given in the manner prescribed by Section 7(f) of Ordinance No. 2013-1.
4. A public hearing was held on the application on February 19, 2015, at which the Applicant and all interested parties were allowed to present testimony and evidence regarding the application and particularly the criteria for issuance of a license set forth in Ordinance No 2013-1.
5. The Applicant presented testimony regarding the reasonable requirements of the neighborhood and the desires of the adult inhabitants of the neighborhood.
6. Other persons in interest appeared to testify against the application.

CONCLUSIONS

1. Based on the evidence adduced at the public hearing the Board concludes that there is sufficient evidence to allow it to conclude that the reasonable requirements of the neighborhood are not being met by existing retail marijuana establishments since no other licensed retail marijuana establishments exist in the pertinent portion of unincorporated Park County.

2. The Board concludes, however, that the weight of the evidence established that the desires of the adult inhabitants of the neighborhood do not favor issuance of the license.

ORDER

Based on the Findings and Conclusions set forth above, the application for a retail marijuana cultivation license is DENIED.

Moved, seconded, and approved this 5th day of March, 2015.
