PARK COUNTY PLANNING AND ZONING DEPARTMENT
AGREEMENT FOR PAYMENT OF DEVELOPMENT REVIEW EXPENSE DEPOSIT

Park County (hereinafter the County) and _____
hereinafter Applicant) agree as follows:

1. Applicant has submitted to the County an application for _____
_____ (hereinafter, the Application).

2. Applicant understands and agrees that Park County Board of County Commissioners resolution 2011-12 establishes Development Review Expense Deposits for certain types of land use applications.

3. Applicant and the County agree that because of the size, nature, or scope of the proposed Application, it is not possible at this time to ascertain the full extent of the costs involved in processing the Application. Applicant agrees to make payment of the Development Review Expense Deposit established for the Application in resolution 2011-12 and to thereafter permit additional costs to be billed to the Applicant. The Development Review Expense Deposit shall be in addition to and exclusive of any non-refundable application fee established by resolution 2011-12.

4. For purposes of this agreement, "expenses" shall include all expenses, costs, fees, assessments, and other charges incurred by the County and directly related to the County's review of the Application which are not accounted for by the non-refundable application fee. Such expenses shall include, but not be limited to, engineering fees, attorney fees and other consultant fees reasonably incurred by the County in evaluating the Application.

5. The County shall maintain a record of all expenses incurred for the Application and paid for from the Development Review Expense Deposit. A current statement of such expenses incurred will be made available to the Applicant within a reasonable time following the Applicant's request. The Applicant understands that due to customary delays in billing by outside consultants, a current statement may only include expenses billed to the County as of the date of the Applicant's request.

6. The Applicant may contest an expense billed to the Applicant pursuant to this Agreement. The Applicant's contest shall be made in writing delivered to the County Planning Director within ten days after the Applicant's receipt of notice of the billed expense. The written contest shall specify in detail the expense challenged and reason for the contest. The Planning Director shall use his or her best efforts to review a timely written contest within five business days and to promptly respond in writing to the Applicant by: (1) affirming the expense as appropriate under this Agreement; (2) deleting or rescinding the expense as inappropriate under the Agreement; or (3) modifying or reducing the expense with reasons for the modification or reduction. The Applicant may appeal the Planning Director's decision to the Board of County Commissioners by

delivering a written request for appeal to the Planning Director within ten days after the Applicant's receipt of the decision. Such appeal shall be considered by the Board as an administrative matter (no notice or hearing required to be provided to the applicant) and the Board, following review of the Applicant's written contest and the Planning Director's written decision in response, shall: (1) affirm the expense as appropriate under this Agreement; (2) delete or rescind the expense as inappropriate under the Agreement; or (3) modify or reduce the expense. The Board of County Commissioner's administrative decision on appeal shall be final. Review and processing of an Applicant's timely written contest shall not be an expense within the meaning of this Agreement.

7. The Applicant shall make the required Development Review Expense Deposit at the time of Application submittal. At such time that the expenses charged against the Deposit exceed ninety percent of more of the Deposit, and within ten days of the Applicant's receipt of notice by the County of this, the Applicant shall supplement the Deposit by making an additional deposit with the Planning Director of an amount of at least fifty percent of the amount of the initial deposit for land use fees and expenses. The Planning Director may reduce the amount of, or may waive, the Applicant's making of an additional deposit where the Planning Director finds that the estimated or anticipated additional expenses for the processing of the Application will not likely exceed the remaining balance in the Deposit. The Applicant shall be obligated to maintain a positive balance in the Deposit at all times.

8. Except as otherwise precluded or prohibited by law or an agreement with the County, the Applicant may terminate the Application at any time by delivering written notice to the Planning Director. The Planning Director shall immediately take all reasonable steps necessary to terminate the accrual of additional and continuing expenses to the Applicant. In no event shall the Applicant be obligated to pay an expense associated with work or service performed on the Application that is more than forty-eight hours after the date and time of the delivery of the Applicant's notice of termination.

9. Upon final action regarding the Application, the remainder of the Deposit shall be returned to the Applicant after all outstanding expenses are paid.

10. The Applicant understands that approval of the Application is not consideration for any payment in accordance with this agreement.
