To Whom It May Concern:

Thank you for participating in our Firewood Assistance Program. This valuable service allows Park County seniors 60 years of age or older to receive financial assistance from the Coalition to help pay for firewood purchase & delivery.

Park County Senior Coalition does not have the current staffing to provide services directly, so the assistance program allows the client to use the provider of their choice. The Coalition involvement is only in verification of services rendered and supplemental payment. Background checks, reference checks, and job qualifications are the responsibility of the client. The Coalition accepts no responsibility for firewood services.

Clients must register with the Coalition and provide proof of eligibility in order to receive service. Once registered, the client identifies a service provider, letting the Coalition know who they have chosen by providing an estimate from that vendor. The client is responsible for letting the Coalition know if the service provider changes. Services provided through an agency are currently being supplemented by the Coalition at a rate of up to \$50.00 per event. Voucher payment rates will vary depending on funding availability and the number of clients using the program. The Coalition will not pay a higher rate than the standard billing rate for services. (for instance, if the provider bills the client \$20/event regularly, the Coalition will pay \$20.00- rather than the maximum allowed.). The client is responsible for payment of any billing over the voucher rate.

The provider of firewood services is responsible for providing documentation of services rendered, and an invoice for billing of services. Services rendered must note client name, date of service, hours provided, and a client signature. The invoice must be provided on a form with the name, address, and phone number of the provider. In the case of an agency, it must be on agency letterhead or an agency invoice. Invoices and paperwork will be submitted by the provider directly to the Park County Senior Coalition administrative office at the address above, to prevent delays in payment.

Invoices will not be paid until all of the paperwork is complete. Invoices are paid based on when they are submitted. Checks require two signatures and are generally paid on a two-week cycle. Park County Senior Coalition is a small office, so checks may be delayed by illness or absence of staff. One month would be the expected maximum wait for payment of an invoice.

Questions regarding this program should be directed to Bobbi A. Gore, 719-836-4295.
