Fairplay, CO 80440

1. Announcements

n/a

2. Discussion

➤ John

- Zebulon → no updates. Still no answers from RIS (Rural Internet Service). Amy spoke to Tom Eisenman and RIS feels their contract is fulfilled. John asked for a copy of the contract. Amy suggested John attend a county commissioner work session to get this resolved.

➤ Chad

- As a provider, he wants to utilize what is built and can't see to get answers from the right people as to whether resources are available. He has customers ready to add internet.

➤ Community Outreach

- There was extensive discussion on how we can update the county website with information for the public and suggestions to talk to Flume reports to get word out.
- Kim is analyzing web page and coming up with a plan for a FAQ page. We will come up with a list of community pages, resources, and internet providers.
