PARK COUNTY, COLORADO

Ordinance No. 2021-04

AN ORDINANCE OF PARK COUNTY, COLORADO, REGULATING OPEN FIRES, REQUIRING A PERMIT FOR OPEN FIRES AND OPEN BURNING, AND AUTHORIZING THE PARK COUNTY SHERIFF TO DECLARE BURN BANS.

WHEREAS, the Park County Board of County Commissioners (hereinafter the "Board"), pursuant to section 30-11-107(1)(a) and section 30-15-401, et seq., C.R.S., has the general enabling power to adopt ordinances, resolutions, rules and other regulations as may be necessary for the control or licensing of those matters of purely local concern, and to do all acts which may be necessary or expedient to promote the health, safety, and welfare of the citizens of Park County; and

WHEREAS, sections 30-15-401(l)(n.5) and 30-15-401(1)(n.7), C.R.S., authorize the Board to adopt an ordinance banning open fires to a degree and in a manner that the Board deems necessary to reduce the danger of wild fires within Park County where the danger of forest or grass fires is found to be high, and to ban the sale of fireworks; and

WHEREAS, open fires and open burning can be a prime cause of forest and grass fires in Park County; and

WHEREAS, weather conditions, including the lack of precipitation, have created a threat of fire in the forests and prairies of Park County, and created a state of emergency with respect to fire danger; included in this are Red Flag Warnings issued pursuant to Fire Weather Zones within the County; and

WHEREAS, the Board finds that competent evidence has been presented to the Board indicating that the danger of forest and grass fires in Park County is periodically high, and therefore, it becomes necessary from time to time, for the preservation of the public health, safety and welfare of the citizens of Park County, to require permits for open fires and open burning and to, when necessary, impose a restriction on all open fires and open burning within Park County.

NOW THEREFORE, BE IT ORDAINED by the Board of County Commissioners of the County of Park, as follows:

Section 1. Title.
