Requirements for a Lot Consolidation
Article VI, Division 9, Section 6-903

C. APPLICATION REQUIREMENTS

In order to qualify for a Lot consolidation, all lots must meet the following conditions:

- **All lots must be identical in ownership and tenure.**
- **Metes and Bounds lots cannot be consolidated with subdivision lots.**

1. Tax receipt showing payment of current taxes for both properties. This can be obtained at the Park County Treasurer’s office.
2. Proof of ownership in the form of a recorded Warranty Deed for both properties. Deeds must show the same ownership and method of tenure. This can be obtained at the Park County Clerk and Recorder’s office.
3. Lot Consolidation Plat. The Plat shall be drafted at a commonly used engineering scale by the use of permanent ink on a stable reproducible drafting medium with outer dimensions of twenty-four inches by thirty-six inch (24" x 36"). Where the required data cannot be clearly shown on one plan sheet, additional plan sheets of the same size may be used with easily identifiable match lines. The Plat shall contain:
 - a. A title that prominently identifies the name of the recorded subdivision, the County recording information (book and page) of the original subdivision plat together with the phrase “Lot Consolidation Plat”;
 - b. Name, address and telephone number of the Surveyor.
 - c. A general vicinity map illustrating the location of the property subject to the proposed lot consolidation;
 - d. Total acreage and surveyed description of the lots and area subject to the proposed lot consolidation;
 - e. A clear illustration or description of the line or lines to be vacated;
 - f. All existing rights-of-way and easements.
 - g. Approval certification and plat language as identified in Appendix A attached to this application.
 - h. A closure report at 1:10,000 will be required with the preliminary plat.
4. Letters of consent to alter or vacate utility easements from all public utilities serving the site, if applicable. (See Page 6 for Utilities’ contact information).
5. The property must be clearly identified with the address and posted according to the Park County address requirements (attached).
6. A \$13.00 check made out to the Park County Clerk and Recorder to record the Mylar.

‘POSTED’ ADDRESS REQUIREMENTS

Park County Land Use Regulation
Section 7-1207 Address Number Signage

Park County requires properties undergoing development to have a permanent address posted. This address post is permanent and is not just for the inspector but is for the use of the Fire Department, Sheriff and Emergency Services. The street address numbers need to be posted on the property prior to the preliminary inspection of the driveway.

- ❑ Numbers shall be attached to a 4” X 4” treated wood or redwood post.
- ❑ The post shall be placed at the driveway no further than 5 feet from the property line.
Note: The post must not be placed in the county road right-of-way.
- ❑ The top of the post shall be installed, in a permanent fashion, a minimum of 48 inches above the ground. If the ground is frozen, place the post in a 5 gallon bucket filled with sand or rock until the post can be permanently installed into the ground.

The sign specifications are shown with the below two examples.

Note: Contact your local Fire Protection District for signage information
Type of Sign specifications for numbers is attached.
