## Awards:

All applications will be considered for funding, if the published criteria are met. The awarded grants in Park County is the responsibility of the Board of County Commissioners. The amount and number of grant awards varies from year to year, depending on the total funding pool and the number of applicants. Please keep in mind that Park County receives a limited amount of funds available for distribution. When the Board of County Commissioners award the funds, a “Memo of Understanding” will be issued to the organization identifying the amount of funds received and the length of time the award will be held in the organization name. If an extension is needed beyond the end of the project schedule, that request must be made in writing, and filed with an interim report by the next scheduled LWTF Board meeting.
